

200,000 RAILWAY MEN WILL DEMAND MORE PAY DEC. 1

Union Heads Decide on Action
After Week's Confer-
ence in Chicago.

CHICAGO, Nov. 5.—A demand for wage increases for the 200,000 men belonging to the Brotherhood of Railroad Trainmen and the Order of Railway Conductors will be submitted to the railroads of the United States, it was decided yesterday by the chief executives of both organizations.

The members of the Switchmen's Union, in session here a week ago, gave notice of a demand for 50 per cent. increase at that time. President Lea intimated to-day that the action would be followed by the unions of the railroad engineers and firemen and locomotive employ-ees, who shared with the trainmen and conductors the advantages of the Adamson eight-hour law, enacted a year ago. These number 200,000 more. The scale is to be presented about Dec. 1 to all railroads in the United States. Passenger conductors, accord-

ing to the new scale, are given 5.5 cents per mile, and 65 2-3 per cent. of that for passenger brakemen.

The rate for freight conductors was fixed at \$4.64 a hundred miles or less, eight hours or less, and \$2.34 for freight brakemen. The rate for switchmen was made \$5 a day for helpers, the present differential to apply to foremen.

Every effort was made by W. G. Lea, President of the Brotherhood of Railway Trainmen, to keep the demand terms secret.

OUCH! LUMBAGO! RUB IT ON BACK

Rub away pain, soreness, stiffness, backache, with "St. Jacobs Oil."

Ah! Pain is gone! Quickly?—Yes! Almost instant relief from soreness, stiffness, lameness and pain follows a gentle rubbing with "St. Jacobs Oil."

Apply this soothing, penetrating oil directly upon the ache, and like magic, relief comes. "St. Jacobs Oil" conquers pain. It is a harmless backache, lumbago and sciatica relief, which never disappoints, can not injure and doesn't burn or discolor the skin.

Straighten up! Stop those torturous "stitches." In a moment you will forget that you ever had a back, because it won't hurt or be stiff or lame. Don't suffer! Get a small trial bottle of "St. Jacobs Oil" from your druggist now and get this lasting relief.—Advt.
